About NordGuide

The company, which has been in operation since the mid-1990s, specialises in a quality travel concept featuring sea, forest and mountains. The company operates solely with experienced and well-trained guides who understand the importance of putting service and the guest before all else. We also work with packages of one day to several days' duration and we collaborate with the best companies in the business. Our unique network and cooperation philosophy make us leaders in adventure experiences combined with game cooking and know-how.

Tommy Holmberg

About Swedish Lapland

Norrbottnen is the northernmost county in Sweden, with a population of 250,000 people, 160,000 reindeer and 65,000 snowmobiles spread over a quarter of Sweden's total area. We represent 2.8 % of the Swedish population which totals nine million. Norrbotten has 14 local authorities or municipalities. In area, Kiruna is the biggest and Haparanda the smallest. Luleå Municipality has the largest population – 72,000 – while Arjeplog has the smallest with just 3,000. Norrbotten contains the highest mountain in Sweden, Kebnekaise (2,111 m), as well as the deepest lake, Hornavan (226 m). Three of Sweden's four state-protected rivers run through Norrbotten: the Torne, Kalix and Pite rivers.
