

# River safari in the Pite River Valley

## River safari

NordGuide offers a wilderness safari through the splendour of Pite River Valley. Here you encounter both our culture and nature. We travel to “Burma Bridge”, where we enjoy a game dish for lunch and learn about Sámi culture. For those who wish, a tour on the river in a rubber boat. With a little luck we may run into moose, reindeer or even a bear

## About Swedish Lapland

Norrbottnen is the northernmost county in Sweden, with a population of 250,000 people, 160,000 reindeer and 65,000 snowmobiles spread over a quarter of Sweden's total area. We represent 2.8 % of the Swedish population which totals nine million. Norrbotten has 14 local authorities or municipalities. In area, Kiruna is the biggest and Haparanda the smallest. Luleå Municipality has the largest population – 72,000 – while Arjeplog has the smallest with just 3,000. Norrbotten contains the highest mountain in Sweden, Kebnekaise (2,111 m), as well as the deepest lake, Hornavan (226 m). Three of Sweden's four state-protected rivers run through Norrbotten: the Torne, Kalix and Pite rivers.
